

LION STEVE PETTY – NOMINATION FOR DISTRICT GOVERNOR

I have lived and worked in England since I was born in 1949. For the first twenty years of my working life, I was employed by my father as a motor vehicle technician and after that, in 1991, I started my own passenger transport company and employed both part time and full time staff. I made a decision in 2012 to retire early in 2013 and closed the company down selling off the assets.

I was also an elected member of my local Parish Council from 2001 until 2018, and was an elected member of my local authority from 2009 to 2013. I also enjoy several other voluntary roles in my community and I am a well known figure in Melksham.

I have two children and currently have four grandchildren.

I joined Melksham Lions in 1995 and have enjoyed the roles of Lion Tamer, Tail Twister, Welfare Officer and Activates group member amongst other roles. I have been Club President on four occasions. I am currently a member of Calne Lions Club

Over the years, I have never stopped learning and I attended many Lions Leadership Training weekends along with an Advanced Lions Leadership Institute weekend.

I enjoy being of assistance wherever I can and look forward to the DG role next term if approved.

My Career in Lions
